Candidate Statements Mailed for June Elections

This year 2 of the 5 positions on the Board of Directors will be on the ballot. If you are interested in running for any of these demanding yet fulfilling positions, please return the attached Candidate Statement form before the May deadline. This year the annual meeting will take place June 16th and the adjourned meeting will likely take place in July. Look for a vote count in August's newsletter if more than 2 candidates apply. Good luck to the candidates and thanks to the past, present and future volunteers for the time you have dedicated to the community, and will dedicate, serving as chairs of committees as well as members of our Board of Directors.

Committees

The Heights at Porter Ranch Homeowners Association is managed by a volunteer Board of Directors assisted by numerous committees also comprised of volunteer homeowners. The success of our community is due to the hard work of these homeowners and we need participants for many of the committees. Our current standing committees are:

Architectural, Disaster Preparedness, Landscaping, Hearings, Media/Technology, Site Review and Social/Recreation

If you are interested in contributing to any of these committees, please email our community manager Ed Parada at PropertyManager@TheHeightsAtPorterRanch.org or call him at (818) 527-6327.

Website Designer/Newsletter Editor/Social Media Host-Ed Parada

It has been almost 12 years since the community websites were launched, it has been 8 years since the newsletter writing duties were taken over by our community, it has been a couple years since the community's social media account at Google+ was created, it has been about 6 months since the community's YouTube channel was launched, it has been a couple of months since the community Twitter account was launched and a few weeks since the community's blog spot page was created. During all of this time, one of our residents has dedicated a significant amount of time each month to maintaining/updating our websites, writing our community newsletter and gathering photos/information/videos for our social media accounts. Although the designs of the websites, newsletters and social media account change only slightly each year, the utility and relevance of Ed's work does not change. The next time you see Ed thank him for his time sharing information with residents in our community and don't forget to suggest any ideas you may have for the web pages/newsletter articles, propose topics for our blogger page and send photos to Ed on facilities issues so he can share them on the Google+ account and Twitter account too.
