Next H.O.A. Meeting

The next HOA meeting of The Heights at Porter Ranch will be the 3rd Tuesday of the month, October 17th, at 19911 Mid Pines Lane, Porter Ranch. The general meeting begins at 6:00 pm and the executive meeting at 7:00 pm. See you there.

Disaster Preparedness Committee Meeting Scheduled

The disaster preparedness committee is holding an emergency earthquake exercise Saturday September 23rd at 10 am. Home owners should stand outside their home at 10:15am and look for volunteers with a yellow vest. Contact our neighbor Dave Friedman at Dave@818MyHouse.com or 818-970-7701 for details on the Saturday morning exercise or to volunteer.

Run, Jog, Walk Your Dog Event Coming Soon

The annual Run, Jog and Walk event in The Heights is getting a new name next year. That new name is the Run, Jog, Walk Your Dog event and it is sanctioned and supported by the HOA board of directors. Two years ago the Aliso Canyon Gas leak caused the event to be canceled, but the event this year drew a small crowd and loyal following. The event is scheduled for the same day as the L.A. Marathon in 2018, but it is not too early to start walking, jogging and preparing for the event. Individuals interested in walking the event course, a 5 mile walk or a 1.5 mile walk, can join other residents of The Heights on select Saturdays and Sundays starting in the fall. Contact organizer Ed Parada by texting him at 818 527 6327 or emailing him at the address below.

Newly Painted and Resurfaced Tennis Courts

As our HOA ages, more and more items in the common area and recreation areas require attention. This year the tennis courts got a fresh paint on the fence and on the flooring too. New wind screens were also purchased and installed. The next time you play at the courts, please remember that the use of the courts is limited to 6 individuals at any one time and note that colored or flavored drinks are not allowed on the courts; water is the only beverage or liquid allowed on the courts. Observing these rules, and using common sense, will help the surface of the courts looking new for a long time. Also, for basketball enthusiasts, next year it is hoped that our basketball courts will get resurfaced!

Do You Have a Green Thumb? If So, Join the Garden Club

Many residents are aware of the committees in the HOA, but few are aware of our first club, the Garden Club. It was created in late 2016 by our neighbor Ed Parada and it is the goal of the club to plant indigenous flora and drought tolerant plants attracting and supporting bee, butterfly and humming bird populations in our MOG lot, or mineral oils and gas lot, just north of the tennis courts at Mariposa Bay and Yosemite Circle. Join Ed and horticulture enthusiasts in our community by texting Ed at (818) 527-6327 or by emailing him at the address below.
